Dear Parent(s)/Guardian,

As part of Barnston's upcoming 50th Anniversary celebrations we are raising money for the school by selling personalised bricks, which will be set near to the entrance of the school next to the pathway to commemorate this special occasion.

We are now taking orders for the bricks which are being sold at the price of £15 to existing, or past school children/ parents and would love you to purchase one and make your family and child a part of Barnston history for many years to come! All profit raised from the brick sale will be retained by Barnston and put towards improving the school resources for children.

The bricks will be black with gold writing to match the school's colours see examples in the foyer. Our aim is to sell a minimum of 250 Bricks and have them fitted ready for the next school year.

To order your brick is very simple, you can simply go to www.paypal.me/BarnstonBricks/15 to pay for the brick, then write a message up to 32 character **(including spaces as a character**) in the "**Add Notes**" section. Or alternatively you can tear off the slip below, fill it in and put it with £15 cash into an envelope and send it in to school and hand it to School Reception.

Please note, the bricks have two lines of text, each 16 characters, so **PLEASE BE CAREFUL WITH YOUR MESSAGE** and ensure that you don't have a word split along the 16th and 17th character or it will be across both lines…For Example:

Thank you for your continued support.

Mrs Pearson & School Governors
