As you can see from the questionnaire the responses were overall very positive and the majority of parents are happy in all the various areas. Any issues that had a comment on, we have addressed where possible eg the cooks are directing the younger children to a more balanced choice for their hot dinners when they approach the hatch and the menu has been looked at to assure that it is balanced over the 2 week period.

Those who disagreed with the majority of the areas covered, please come in and talk to us about your worries, or speak to your Parent Council year group representative, if you prefer to remain anonymous.

Even though our Ofsted questionnaires were very positive in April 2011, we endeavour to work together with the Parent Council to continue to improve communication and to solve problems together to ensure that all parents and children are happy.
